## TUCSON SHOW VIRTUAL 2022

Barcelona, 01/18/2022

New age at Fabre Minerals. As explained [here](#), due to many reasons (age, pandemic, personal circumstances) it was time to make a change and quit the exhibitor mode at Shows to be able to focus more and more on Internet sales. So, this year we will no longer attend the Tucson Show and will instead publish our own Virtual Tucson Show, similar to [the one we built last year](#)

If you liked the one from 2021, don't miss out on this edition, there will be even better pieces!
